WORK EXPERIENCE

LinQuest Corporation

Mar. 2020 – Present

Sr. Salesforce Developer & BD Analyst

Colorado Springs, CO

- LinQuest is a large government contractor which develops, integrates, and operates critical national security capabilities for the Department of Defense.
- As Senior Salesforce Developer, I oversee CRM functionality, development, enterprise system integration, competitive intel management, and corporate metric creation for our private equity owners.
 - The sole Salesforce Administrator at LinQuest. I am responsible for all CRM outcomes and developments.
 - Migrated CRM and deployed new architecture for the company. Saved the company \$98k/year.
 - Work closely with our Finance, Contracts, and Business Development departments to generate key corporate metrics, new operations capabilities, and train team members on new business process.

Grifols Pharmaceuticals
